The Event

The Rotary Club of Jeffersonville is pleased to invite you to participate in the annual Service Above Self Gold Leaf Volunteer Recognition.

The Rotary Club of Jeffersonville has hosted the annual Service Above Self event for 32 years. The Gold Leaf Volunteer Celebration began as a recognition by the Community Foundation of Southern Indiana.

The melding of these two events into one allows us to continue honoring those who volunteer their time and talents in Clark and Floyd counties to strengthen the nonprofit services available.

The event will be held at Radisson Hotel Louisville North.
505 Marriott Dr., Jeffersonville
Tuesday, April 30, 2019, 11:30 a.m. - 1:30 p.m.

Participation and Seating

Participants and seating are determined on a first-come, first-served basis.

Deadline for honorees is April 10, 2019. The deadline for guests is April 15, 2019.

Tickets are \$30. Your honored volunteer is free.

Seating is limited, so each organization may submit up to 8 attendee names for their table. An organization may include additional names on a separate registration form, and these will be seated on a first-come, first-served basis if more room is available.

Guidelines for Photo Submission

Each Volunteer will be listed with a brief overview and photo of his or her contributions to your organization in the program book.

Suggestions for the program book photo:
The photo must be a head shot.

The photo can be black and white or color, but contrast is important.

Do not submit a photo from another publication.

During the Celebration, we would like to project a candid photo of each honoree on a large screen. With your cooperation, we can make it memorable.

Suggestions for the PowerPoint presentation photo:
Select a candid photo of your honoree.

Your honoree should be shown participating in their volunteer activity if at all possible.

Other people may be in the photo, but your honoree should be the main focus. (Please do not use a group posed shot.)

If a candid shot is not available, the head shot can be used for both purposes.
